Managing Your Online Presence: *Branding, Websites, Social Media & More!*

Whether your organization is “on-line” with the Internet age or not, we all need to know how to manage our online presence!

In his own words, “far from what one would expect of a pigeon-holed ‘computer geek,’” Kevin brings a wealth of knowledge and industry experience, mixed with the humor and passion of an entrepreneur. He initially founded Six Six Media as a “one-man show” in 2004. The company has grown into a boutique design firm of eight hand-picked designers and programmers. (Kevin designed the SNAP website!)

Kevin is also a founding member of 10Vox Entertainment, a Gainesville-based toy/technology company, grossing \$10 million in sales within the past two years, and has been credited with creating one of the hottest children’s toys of 2009.
